19. (Unclassified - RJK) LIAISON Barabara Allem, Senate Foreign Relations Committee staff, called to request the transcript for the Committee briefing on terrorism held on 8 June 1978. It was sent to her by special courier.

20. (Unclassified - RJK) LIAISON [   ] STAT called to say that George H. Archibald, on the staff of Representative Eldon Rudd (R., Ariz.), called their office directly to ask what agency STAT [   ] was assigned with. It was explained that it was Agency elemented, and this was all that Archibald was interested in knowing.

21. (Unclassified - RLB) LEGISLATION Spoke with Mr. James Allen, OGC/DOD, regarding the "Science and Technology Amendment" in the Department of State Authorization legislation, which we would be discussing at a meeting at OMB. Mr. Allen asked that we support the Department in their proposed changes to the provision, which reflected their general opposition to the amendment. I told Mr. Allen we would interpose no objection to their proposal, but that, as far as we were concerned, so long as the legislation made clear intelligence matters were not covered thereby, we would have no grounds on which to argue generally against the provision.

22. (Unclassified - RLB) LEGISLATION Attended a meeting at the Office of Management and Budget, chaired by representatives of the Legislative Reference Division, to discuss various provisions in S. 3076 and H.R. 12598, the Department of State Authorization legislation for FY 79. Representatives from the Departments of Defense, State and Energy were present, in addition to representatives of the International Communication Agency. Various provisions of the legislation were discussed, and it was agreed representatives would provide written submissions for proposed Administration positions on the legislation to OMB for coordination within the next day or two.
